ORDER ADOPTING REPORT AND RECOMMENDATION

This action for habeas corpus relief brought by a prisoner, proceeding pro se, was referred to United States Magistrate Judge Suzanne Mitchell, consistent with the provisions of 28 U.S.C. § 636(b)(1)(B). Judge Mitchell entered a Report and Recommendation on March 12, 2014, to which Petitioner has timely objected. The Court therefore considers the matter de novo.

The facts and relevant law are set out in full in the accurate and well-reasoned opinion of the Magistrate Judge. No point would be served in repeating that analysis. There is nothing asserted by the Petitioner which was not fully considered and correctly rejected by the Magistrate Judge, and no argument of fact or law is set forth in the objection which would require a different result.

Accordingly, the Court adopts, in its entirety, the Report and Recommendation of the Magistrate Judge (Dkt. No. 19), and for the reasons announced therein, the petition for

habeas corpus relief is dismissed. As no amendment can cure the defect, this dismissal acts as an adjudication on the merits, and a judgment will enter. All pending motions are stricken.

IT IS SO ORDERED this 21st day of March, 2014.
